ABOUT PEST PRO, LLC

Pest Pro, LLC has been protecting Florida homes and businesses since 1988. Based in Kissimmee, Florida, we deliver **customized pest management systems** built around the specific needs of each property. Our approach is rooted in **Integrative Pest Management (IPM)** principles, combining targeted treatments, environmental awareness, and ongoing monitoring to achieve lasting results. We are licensed by the Florida Department of Agriculture and Consumer Services and fully insured.

PROPERTIES COVERED UNDER THIS AGREEMENT

This agreement covers pest control services for the following four properties under common management.

#	Property	Address
1	Chiefland Farmers Flea Market	1206 N Young Blvd (US HWY 19), Chiefland, FL 32626
2	Manatee Springs RV Park	12570 NW 82nd Ct, Chiefland, FL 32626
3	Chiefland RV Park	600 NW 11th Ave, Chiefland, FL 32626
4	Flea Market RV Park	Chiefland, FL 32626

All offices and common areas are included at each property.

SCOPE OF SERVICES

General Household Pest (GHP) Program

All four properties are enrolled in our **Pest-Pro Active Ecological Maintenance** program. Monthly interior and exterior treatments cover:

- Ants
- Cockroaches (including American cockroach / Palmetto bug)
- Spiders
- Silverfish
- Other common household and structural insects

Treatment includes:

- Interior perimeter application (baseboards, entry points, harborage areas)
- Exterior perimeter application (foundation, eaves, window and door frames)
- Crack and crevice treatment where pest activity is found
- Product rotation to prevent resistance buildup

Property-by-Property Scope

01 Chiefland Farmers Flea Market

1206 N Young Blvd (US HWY 19), Chiefland, FL 32626

Monthly GHP service covering:

- Office and administrative areas
- Enclosed vendor booths (interior treatment, focused on harborage and entry points)
- Open-air booth areas and outdoor table grounds
- Bathrooms and restroom facilities
- Common areas and interior corridors
- Exterior courtyard
- Exterior perimeters (full building perimeter)
- **The Roost Beer and Wine Bar** (interior and exterior, food-safe product application)
- The Roost outdoor seating area
- Food vendor staging area and surrounding zones

All treatments near food preparation and service areas are done using EPA-registered, food-safe products applied per label requirements.

02 Manatee Springs RV Park

12570 NW 82nd Ct, Chiefland, FL 32626

Monthly GHP service covering:

- Office and check-in area
- Common areas and shared resident facilities
- Bathrooms and laundry facilities
- Exterior perimeters and common grounds

03 Chiefland RV Park

600 NW 11th Ave, Chiefland, FL 32626

Monthly GHP service covering:

- Office and check-in area
- Common areas and shared resident facilities
- Bathrooms and laundry facilities
- Exterior perimeters and common grounds

04 Flea Market RV Park

Chiefland, FL 32626

Monthly GHP service covering:

- Office and check-in area
- Common areas and shared resident facilities
- Bathrooms and laundry facilities
- Exterior perimeters and common grounds

Rodent Control Program

Chiefland Farmers Flea Market and The Roost

Twelve (12) tamper-resistant rodent bait stations will be installed along the exterior perimeter of the Chiefland Farmers Flea Market building and The Roost Beer and Wine Bar.

Program includes:

- Installation of 12 tamper-resistant bait stations at selected perimeter locations
- Monthly inspection of all stations during scheduled service visits
- Monitoring, activity documentation, and bait replenishment as needed
- Activity log maintained per station
- Bait station placement map provided to management at time of installation

All bait stations meet OSHA and EPA requirements for commercial and public-access environments. All rodenticide products are registered with the Florida Department of Agriculture and Consumer Services.

SERVICE SCHEDULE

Property	Frequency
Chiefland Farmers Flea Market	Monthly
Manatee Springs RV Park	Monthly
Chiefland RV Park	Monthly
Flea Market RV Park	Monthly

Service days and times will be set with your on-site contact to avoid disruption to operations and tenants.

INVESTMENT

Service	Monthly Rate
GHP Pest Control (All Four Properties, bundled)	\$550.00
Rodent Bait Station Program (12 stations, installation and monthly monitoring)	Included
Total Monthly Investment	\$550.00

Annual Contract Value: **\$6,600.00** | All services listed above are included in the monthly rate. No additional fees.

TERMS AND CONDITIONS

Contract Term

This agreement runs for twelve (12) months, from June 1, 2026 through May 31, 2027, unless cancelled as described below.

Cancellation

Either party may cancel by giving thirty (30) days written notice to the other party.

Payment Terms

Invoices are sent on the 1st of each service month. Payment is due within thirty (30) days (Net 30). We accept check, ACH bank transfer, or credit card.

Late Payments

Accounts not paid within the Net 30 period may be placed on a service hold until the balance is paid.

Access

Client agrees to give Pest Pro, LLC access to all listed properties to perform the services in this agreement. Please let us know about any access restrictions or scheduling needs in advance.

Questions and Service Requests

For any service questions, re-service requests, or concerns, contact Pest Pro, LLC at (407) 922-2276 or info@PestProLLC.com.

Re-Service Guarantee

If covered pest activity comes back between scheduled visits, we will return and re-treat at no charge. Client must contact us during the active service period and provide access to the property.

Chemical Safety

All products used by Pest Pro, LLC are EPA-registered and approved by the Florida Department of Agriculture and Consumer Services. All work is performed by a Florida-licensed Certified Pest Operator or under their direct supervision.
